NCSC, Nordic Council of Shopping Centers, is the association for the shopping center industry in the Nordic countries. The members include all of the industry's biggest players among property owners, investors, managers, retailers, consultants and suppliers as well as representatives from other trade organizations, city planners and municipal representatives. NCSC's aim is to continuously develop the Nordic shopping center market and strengthen the industry's status as a professional and strong player in the community. The association was founded in 1985 and currently has over 1 200 members from primarily Sweden, Norway, Denmark and Finland.
